### ABOUT ME

I am interested in developing a career in web development. I am actively coding, improving and expanding my skills. I am looking for a company, where I will be able to grow and offer my abilities. I generally build projects with the MERN or MEVN stacks.. I've built a few projects by myself and I'm looking for a role where I can grow and learn from other experienced team members.

### EDUCATION

#### University of National and Worldwide Economy

Bachelor "Economics of Tourism | Sep 2015 - July 2019

Participated in the annual tourism conference "Degree: Bachelor for students and teachers". Responsible for the communication between lecturers and the group.

### WORK EXPERIENCE
